Defendants.

JOINT MOTION FOR SETTLEMENT CONFERENCE

Plaintiff Malibu Media, L.L.C. and John Doe #7, by and through their undersigned counsel submits this Joint Motion for Settlement Conference pursuant to Dist. Colo. L.R. 16.6:

1. Plaintiff and Defendant believe that engaging in an early neutral evaluation and settlement conference conducted by the Magistrate Judge would be helpful in resolving the issue of damages.
 - a. All parties are interested in a swift resolution of the present lawsuit and the parties agree that there are not many issues to contest at this time.
 - b. The parties have been able to quickly and efficiently resolve matters independently and with the help of the Court.
2. Because the benefit of a judicial settlement conference is the prevention of additional expenditures of monies and resources associated with trial preparation, as well as in the interest of judicial economy, the Parties request that the

conference occur as soon as practically possible and that the Court take such other
and further action as it deems just and proper.
